

<sup>43</sup> But know this, that if the master of the house had known in what part of the night the thief was coming, he would have stayed awake and would not have let his house be broken into. <sup>44</sup> Therefore you also must be ready, for the Son of Man is coming at an hour you do not expect.

**"To make disciples who follow Christ in all of life."**

Oak Grove Church is a non-profit organization supported by the contributions of those who attend regularly. If you are a visitor this morning, please accept this worship service as our gift to you.

**"We Exist to Glorify God"**

#### Children's Church & Nursery

We offer children's church for children ages 4-5 yrs. Children are dismissed for this after the Children's Sermon.

We also have a staffed nursery in the basement, for children ages 3 years and younger during our Worship Service.

### OGC Connections Fair

Next Sunday September 23rd, we're having an Oak Grove Church Connections Fair after the service. Make plans to have lunch on us, see what OGC has to offer and how you can get connected.

This is for everyone and anyone looking for a way to get involved, not just for new attendees. Ministry leaders will be sharing information and opportunities to plug in and serve.

Also, we need some hands to help:

Saturday night set up 6-7:30pm.

Treat donations for the Fair.

Hands to help in clean up afterwards.

Please contact Cassie Geoffrion if you can help:

### New Members Class

Pastor Josh will be holding a new members class after the service on Sunday, September 30th. If you would like to become a member of Oak Grove Church or have questions about OGC and what being a member means, please plan to attend the class.

Lunch will be provided - RSVP to Pastor Josh by Sept. 26th: [josh@oakgrovechurch.com](mailto:josh@oakgrovechurch.com)

### Outside Painting of OGC

The outside of our beautiful building needs paint on the trim, around the windows and the outside stairs, etc. The plan is to do this work between September 27 and October 2nd.

Tony Ryerson is coordinating this undertaking and is in need of volunteers that can give some time to help with this project. He will get all of the necessary equipment and supplies, but needs to know who can help and when people are available during this time frame. Maybe you can take an hour, maybe a whole day or somewhere in between, but every bit of time helps.

Please contact Tony Ryerson by September 15th to let him know when you can help.
